

### **VRX100/150 and VPR100 Parts**

All replacement parts for the instrument are consolidated into the replacement parts kits shown in the list that follows.

<b>Kit Part Number</b>	<b>Description</b>
51197787-501	Case Assembly Replacement Kit
51404685-501	Portable Case Replacement Parts
51197973-501	Rear Terminal Block Kit
51404680-501	VRX100 VPR100 Video Display Replacement Kit
51309790-501	VRX100 VPR100 CPU Board Replacement kit
51404909-501	VRX150 Video Display Replacement Kit
51404790-502	VRX150 CPU Board Replacement Kit
51197804-501	2 Point Analog Input Module
51404568-501	6 Point Analog Input Board Replacement Kit
51404537-501	12 Point Analog Input Board Replacement Kit
51197799-501	Power Supply/Analog Output Base Board Replacement Kit
51197801-501	DI/DO Motherboard Printed Circuit Assembly Replacement Kit
51197803-501	Main Power Supply Replacement Kit
51197805-501	Dual Mechanical Relay Output Module Replacement Kit
51197808-501	Dual Solid State AC Discrete Output Module Replacement Kit
51197809-501	Dual Solid State DC Discrete Output Module Replacement Kit
51197810-501	Three Discrete Inputs PCA Module Replacement Kit
51197811-501	Current/Voltage Analog Output PCA Module Replacement Kit
51197812-501	RS-485 Serial Communications PCA Module Replacement Kit
51197813-501	Isolated Analog Output Power Supply Module Replacement Kit
51404680-502	VRX/VPR100 Miscellaneous Display Hardware Kit and Keyboards
51404909-502	VRX150 Miscellaneous Display Hardware Kit
51197816-501	Front Plane Replacement Kit
51197818-501	Floppy Disk Drive Replacement Kit
51197819-501	Miscellaneous Hardware Kit
51197820-501	Instrument Panel Mounting Hardware Kit
51309456-501	16 Point DI/DO Printed Circuit Assembly Replacement Kit
51404540-501	12 Point AI/16 Point DI/DO Back Plane Replacement Kit
51309456-502	32 Point DI/DO Printed Circuit Assembly Replacement Kit
51404684-501	32 Point DI/DO Back Plane Replacement Kit
51404897-501	Rear Terminal Cover
