SPEEDY HONEYWELL LITERATURE ENQUIRIES BY E-MAILING: LITERATURE@HONEYWELL.COM

New e-mail address dedicated to Honeywell domestic heating controls

BRACKNELL, UK, 26 March 2003 – Honeywell has streamlined its brochure service with a simple and memorable e-mail address for requesting details of home heating controls: **literature@honeywell.com**. It provides a speedy route to request details of all Honeywell home control products, such as programmers, thermostats, solenoid valves and the Smartfit and Hometronic control systems. The e-mail links directly with Honeywell's UK home heating controls sales department, which also takes literature requests on freephone 0800-521121.

literature@honeywell.com can also be used to request a free guide on compliance with the controls requirements of the latest Building Regulations. This printed guide has been published by TACMA (The Association of Controls Manufacturers) can also be viewed on Honeywell's home controls web site at www.honeywell.com/uk/homes/Regulations.htm

Postal requests for literature can continue to be made to: Honeywell Home Comfort Controls, Honeywell House, Arlington Business Park, Bracknell, Berkshire, RG12 1EB. Products details and installation advice can be viewed online at www.honeywell.com/uk/homes.htm
